Achieving goals. Advancing lives.

For the past 27 years, we've appreciated your support and enjoyed your friendship in person at our annual golf tournament. We sincerely thank you!

*This year, our programs are facing difficult and unique challenges related to the pandemic and we need your generous support now more than ever. Your participation in our "virtual" golf tournament will have an immediate impact and will help enhance the daily living experience for those we serve. Please join us and **Chip in to Help!***

To keep our friends and supporters safe we have reformatted our 28th annual golf tournament to be a "virtual" event, but that doesn't mean we can't have some fun all the same!

We'll still play a round of golf, just not all together...

Now for the details...

- ◆ Register for the tournament by completing this form and mailing it with your payment to us before August 13th. Additional details are on the reverse side of the registration form.
- ◆ Play 18 holes on your favorite course between August 1st & 15th recording your non-handicapped score. Send your scorecard to us by August 18th - *(More on that in a minute)*
- ◆ Once all the scorecards have been received, teams will be formed by random draw
- ◆ *Here's where we add in some fun!* Each team of three will be paired with a prior Master's Tournament© winner, using that champion's Sunday score

The first team drawn will be paired with the 2019 winner; team two will be paired with the 2018 winner, and so on ... *Everyone has a chance to win!*

- ◆ Winners will be announced via email, on Facebook and our website.
- ◆ Trophies will be delivered to the Overall Champions and the Mixed Team Champions
